## 1. Introduction

We hope that issues can be addressed by talking to the relevant staff. Open communication and regular engagement between the school, parents/carers and other stakeholders is vital to nurturing positive relationships within the whole school community.

### 1.1. School Information

In our college we are a family of learners, staff and pupils alike, dedicated to the best possible outcomes for all. We aspire to provide a holistic education, academic and pastoral, that will enable pupils to contribute positively to their college, families and communities.

#### Ethos

Our Catholic ethos of care, equality and mutual respect permeates every aspect of college life. By providing a child-centred, safe, positive, inclusive and welcoming environment we nurture and empower our pupils to excel and reach their full potential.

#### Our Mission Statement

***"To Promote partnership, develop talents and encourage participation"***

Here at St Pius X College, we take complaints seriously. We have the best interests of all our pupils and their families at the centre of all we do. We encourage anyone with a worry to speak to us as soon as possible. If issues are dealt with at an early stage, then they are more likely to be resolved leaving no unnecessary dissatisfaction.

Many issues can be addressed simply by talking to the relevant staff in the school who will be happy to help. Staff will respond to complaints in a positive, courteous and professional manner. Open communication and regular engagement between the school staff and the wide range of users is vital to the effective management of the school.

### 1.2. Communication Chart

We welcome communication with our staff. Parents / carers can do this by contacting staff as outlined below. It is hoped that all issues will be resolved quickly and informally. There are a number of channels a parent/guardian can take as outlined below:

In the first instance, the issue should normally be raised verbally with the teacher concerned, so that she/he may have an opportunity to address the issue(s).

The Form Teacher is also a key contact and will be able to resolve the majority of issues to the parent's/guardian's satisfaction. To help resolve the issue the Form Teacher may seek support from either the Head of Department if the issue is of an academic nature or the Head of Year for pastoral issues.

It might also be appropriate for a parent/guardian to raise the issue directly with a member of the Senior Team or the Principal.

***We take all issues seriously and make every effort to resolve matters as quickly as possible.***

You can speak to staff members by contacting the school office on 028 7963 2186 and your call will be directed to the relevant staff member or you can request an appointment for a meeting.

**Note: Teachers will not be interrupted during class contact time but details to return a call will be forwarded.**

If you wish to make a complaint, please follow the School Complaints Procedure attached.

## 2. Scope of the Complaints Procedure

A complaint is described as an expression of dissatisfaction with our work.

### 2.1 Complaints with Established Procedures

**This procedure should not be used for complaints with separate established procedures, however if your complaint relates to the school's failure to correctly administer any of these procedures, then you may complain by means of this procedure.**

Some examples of statutory procedures and appeal mechanisms, which are not part of the school's complaints procedure, are listed below. The list is not exhaustive. The principal/ chair of governors will advise on the appropriate procedure to use when a complaint is raised.
